**STOP THE COLLECTION AND DISPLAY OF  
CONFIDENTIAL MEMBER INFORMATION AT SEIU**

We, the undersigned, demand that SEIU **STOP** all plans for a Member Service Center (MSC) or "call center," which will place our confidential information on a database which can be viewed by SEIU Staff, stewards, and others; which is accessible on the Internet, and which will be shared with others, **without our permission**, at SEIU's discretion.

The following information on members that is being collected and displayed, without our permission, includes **but is not limited to** the following data:

- 1. Our social security numbers**
- 2. Our home addresses**
- 3. Our cell phone numbers**
- 4. Notes on our union and political activities**
- 5. Copies of our phone and email messages**
- 6. Our confidential letters and personnel actions**
- 7. Information that tracks our personal life and relationships with others**

We, the undersigned, **do not give SEIU permission to collect, display, and track our personal information and confidential records**. We chose to "opt out" of the MSC database **and any other database** designed for this purpose by SEIU.
